

マイクロ・ナノスケール材料工学
- Multiscale Computational Biomechanics -

Yasuhiro Inoue
Institute for Frontier Medical
Sciences, Kyoto University

Overview of the course

- Settings:
 - Based on the results given in each lecture
 - 1. Due date: 20th September
 - 2. Merge all assignments into one pdf file, and submit it.
 - 3. Email: To Takata by e-mail attached file
takata@res.tokai.ac.jp
 - 4. Tokyo: To a Prof. of U of Tokyo by e-mail attached file
